Ha ha ha! You're kidding!
It's not funny, alright? Look at this! [Veronica hitches up her skirt and pulls her knickers to one side, revealing a tiny little fag burn]. See that? And it stings like hell!

Oh! You poor dear! That looks sore. Here, let us kiss it better… *Ooh! No. Stop. Aaaah. Mmmm! Up a bit! Yes, that's it. Faster!*

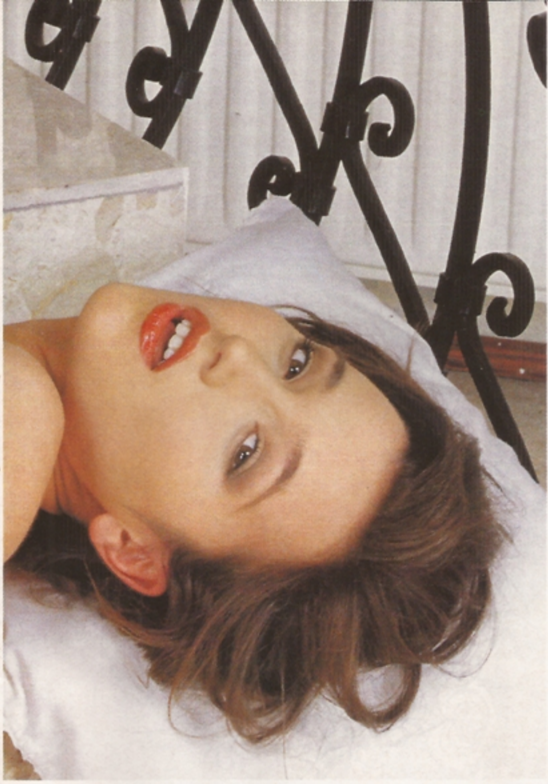
Welcome to Mayfair, Mel!
Thank you for having me.

Er, is that an invitation?
Oh no, I can't believe it. I've been told about you lot and I was determined not to put my foot in it – and there I go doing just that. I'm always doing that…



What? Putting your foot in it? You must be agile!
Oh, very funny. You're just a bunch of wind-up merchants. Can we start the interview again?

Erm… okay then. Hello, Mel, welcome to Mayfair!
Thank you, it's nice to be here. It's a big office, isn't it? Much bigger than I'd expected…

We bet you say that to all the boys!
[Groans]. Can't I say anything without you taking it the wrong way?

We'll take you any way you want us to, love…
***See what I mean? It's like talking to Finbarr bloody Saunders from* Viz.**

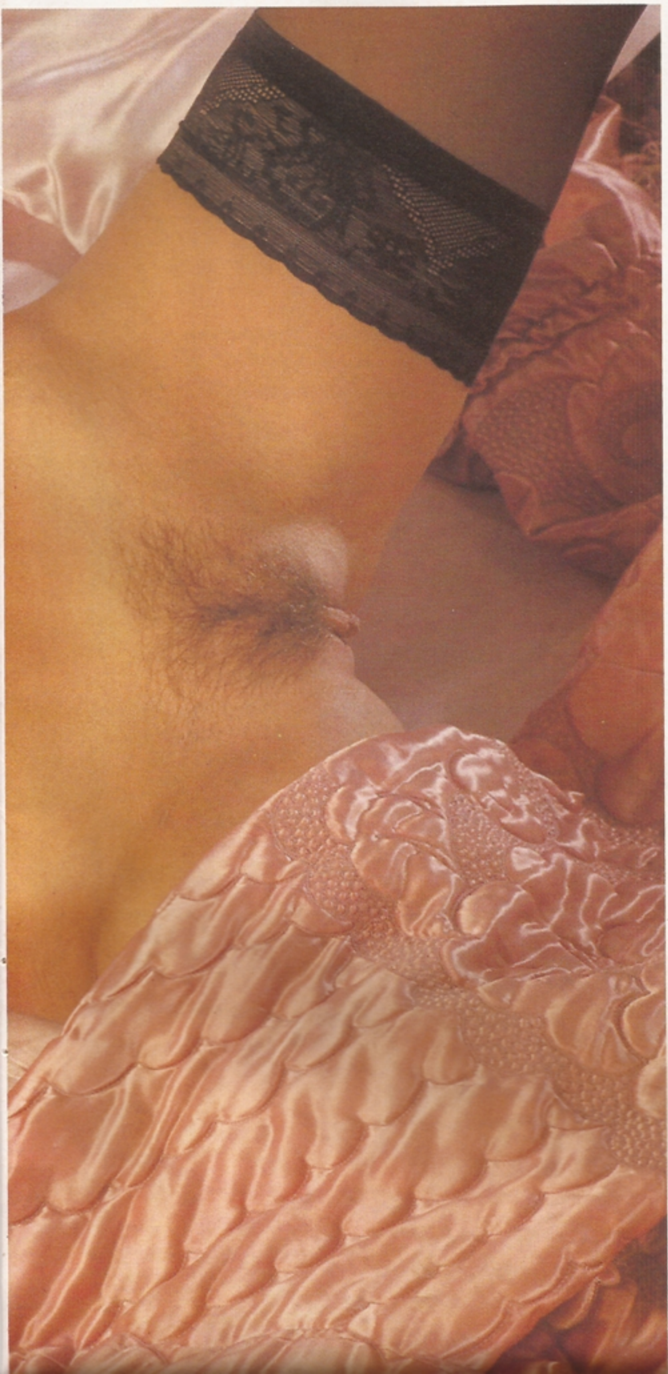
We're so excited! Your our favourite Page 3 Girl!
Ex-Page 3 girl! I'm a TV presenter now, you know?

But of course! And we'd never miss an, erm, ah… episode?
Ha! I knew you'd never seen my show, you lying little beggars…

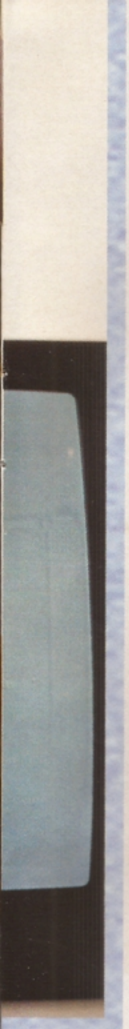
We've been rumbled!
Don't worry, I don't mind. You probably don't have access to cable TV, I suppose. You should get it, though, if you can. It's absolutely brilliant!



Claire, do you realise what you've done?
What do you mean?

This shoot is going to cause huge problems.
Why? Is it too rude? Will you get in trouble?

It's not that. We've taken out the pics of you with your fingers up your fanny – so that's not it…
So what is it, then? You're not going to tell me I have to give the video camera back, are you?



Pa

Nope, that's not it. Of course you can keep the camera. But our readers are going to want to see the tape! *Well let them! I'm not fussed. In fact, I love the idea! You know I get off on being watched – and it looks great, doesn't it? Especially that close-up of me frigging!*

That's the big problem: it's too hot to handle! We can't show the video if it doesn't have a BBFC certificate – and the chances of the censors passing it are slimmer than you are!

Oh, I see. Maybe if I hadn't got carried away it would have been alright, would it?

Possibly. But sticking four fingers up your twat and another up your arse is way too much for our moral guardians…

What? They're mad! What's wrong with a young girl enjoying herself, for God's sake? The law is an ass! A fat hairy one!

Wow! You look sensational together!

[Adele] It felt pretty sensational, too…

[Maria] Ooh, you're not wrong! I didn't think I'd get turned on – I usually think about what's on TV when I do a shoot!

Really? Is that true?

[Maria] Well, I've done so many photo assignments that it usually just feels like 'work'. This was different, though…

[Adele] And much more fun than working alone! I'll definitely do it again.

So have you never slept together before now?

[Maria] No way! In fact, I still wasn't sure I could go through with it until we were on set. But then we just sort of 'clicked'.

[Adele] I was surprised how 'natural' it felt…

Are you going to get it together later on?
[Adele] I must admit I've been thinking about it. What about you, Maria?

[Maria] I thought you'd never ask! I know how hot you got during the shoot – you were dripping, girl! – but I didn't think you'd want to take it further…

[Adele] Well if you do, I do! What do you think, should we order a taxi?

[Maria] I'll get my coat!

Heh, heh, heh. Yup, you're right! Go on. ***[Sighs] Okay. Just once more though, and then I'm sitting down, okay? [Jenna bounces up and down a bit. Her boobs do indeed jiggle rather fetchingly]***

Oh man, that *rules!* You're a good sport, Jenna, we love you! ***Jeez, you guys are easily pleased, aren't you? If that's all it takes to get you hot…***

We're *permanently* hot – but you just make us hotter… ***Aw shucks, I just love doing shoots for you English guys. You're always so polite!***

Erm, we suppose that means a blow-job is out of the question, then? ***I take it all back!***

Hey! A first-timer! Were you nervous?

At first, I was very nervous. But once I got naked I relaxed a bit, and then I enjoyed it…

We enjoyed it when you got naked, too!

Hmm. I meant to ask you about that, actually…

Ask us what?

Well, do you always watch when the photos are being taken?

You bet we do! It's the job's biggest perk!

I see. I suppose I should have expected it – but I just didn't think.

Er, we didn't put you off, then?
Not really. In fact, once I got into it, I found it quite a big turn-on being watched…

Have you ever 'done it' in public?
Not yet. In fact, I've only ever 'done it' (as you put it) three times so far…

Good God, you're practically a virgin!
Yeah, but you wait until tonight! I'm going to really go for it after this, and see if I can double my score! Think I'll manage to pull?

Nice to see you again, Kelly. How are you?

I'm fine now, but two weeks ago I wasn't…

Oh? Why so?

Well, not to put too finer point on it, my boyfriend dumped me.

What? The lifeguard guy?

Yeah, that's him. The lousy piece of shit!

Still upset, huh?

No, not really. I'm over him.
